RHEUMATISM COMMON IN SUMMER

The time to get rid of Rheumatism is in summer while the blood is endeavoring to purge itself of all poisons and impurities, and the skin is active, with all the pores and glands open and able, in this way, to assist in the elimination.

Columbus, O., 1855 Mt. Vernon, Ave. Six years ago I had a severe attack of Rheumatism, and the doctor told me that I had to live with it, and that I would never be able to get rid of it. I tried every medicine I could get, but nothing seemed to help me. Finally I read of S. S. S. and I bought a bottle. I took it as directed, and in a few days I was feeling better. I continued to take it, and in a few more days I was completely cured. I am now as well as ever, and I can say that S. S. S. is a great remedy for Rheumatism.

The inactivity of the Liver, Kidneys and Bowels causes the refuse matter to remain in the system, which, coming in contact with the different acids of the body, forms uric acid, which is absorbed by the blood, and distributed to the different joints and muscles, producing the pains, inflammation and other distressing symptoms of Rheumatism. The wandering pains of the disease remind the sufferer that the poison is still in the blood and he should lose no time in getting it out. S. S. S. neutralizes the acid and makes the blood rich and pure. It tones up every organ and cures the disease permanently.

SSS contains no harmful minerals to disarrange the system, but purely vegetable, while curing the disease builds up every part of the body by its tonic effect. Look on Rheumatism and any medical advice desired without charge, THE SWIFT SPECIFIC CO., Atlanta, Ga.

CORNELL WINS IN GREAT REGATTA; IS CHAMPION ON WATER ONCE MORE

CORNELL 'VARSITY CREW.

Wins 'Varsity and Freshman Eight With Ease on Poughkeepsie Course.

SYRACUSE FOUR VICTORIOUS

Georgetown and Columbia Kept Up Plucky Fight—Wisconsin at the End.

(By Associated Press.)

POUGHKEEPSIE, N. Y., June 28.—Cornell regained her prestige in intercollegiate rowing affairs to-day by winning with utmost ease the 'Varsity eight-oared and freshman eight-oared races in the intercollegiate regatta. Syracuse was given the decision in the 'Varsity four-oared race, after a sensational and exasperating "mix-up," in which even the judges' boat gave out conflicting decisions, the victory being given first to Cornell, although Syracuse came in first.

The hesitation over the decision was due to two facts—first, that some of those on the judges' boat were in doubt as to the identity of the leading crews as they passed the finish mark; second, that at the outset of the race Syracuse was declared to have passed out of her course in front of Columbia, and there was claim of a disqualifying foul against her. After a long delay the decision was reversed and declared in favor of Syracuse.

Syracuse Outclassed.

The three races were rowed under ideal conditions over the beautiful and historic Hudson River course.
In the 'Varsity race, the feature of the Cornell, never pressed after the first quarter mile had been covered, rowed across the finish line a dozen lengths or more in front of the crew from Syracuse, which surprised the aquatic world by winning this event last year.

The plan for to-morrow is to start the four-oared crews from the upper end of the course at 10:30 for a two-mile race to the navy yard. Here the freshmen crew will be in readiness, and it will be immediately started over the two miles to the drawbridge.

Big Race To-day.

(By Associated Press.)
NEW LONDON, CONN., June 28.—Yale and Harvard will meet once again in the Thames River, to-morrow in their annual regatta for aquatic honors. As for many years, the eve of the events finds this city the host of hundreds of college men, most of them graduates or under graduates of the two rival universities.
